Policy Advisory Committee Ground Rules and Expectations

In addition to following the requirements of the Joint Powers Agreement and bylaws, Policy Committee Members will:

1. Actively prepare for, attend, and participate in all scheduled meetings of the Policy Advisory Committee.
2. Actively engage in the decision-making process for watershed-based implementation with the understanding that goals, objectives, and action items of the water plan must be prioritized, targeted, and measurable.
3. Initiate and/or assist with providing opportunities for constituents to be appraised of updated progress of the watershed-based planning process.
4. Regularly update their respective Boards on the progress of the watershed implementation.
5. Utilize the technical resources of their respective entities to assist and inform their decisions in the implementation.
